The font for the title taken from the title used in the film.

The colours in the colour scheme were taken from colours in the movie itself. The movie has a light feel and look which is reflected in the colours.

It has dirty textures as the underlying message is one that life can be tough.

A button has two different states. 'Active' and 'Selected'.

Site Map

Home page

The image shows the home page of the movie "LIFE". The title "LIFE" is prominently displayed in large yellow letters on the left. To the right of the title are three navigation links: "Tickets", "Filmmakers", and "Community", each with a blue underline. Below the title is a large video thumbnail showing a man in a red shirt standing in a desert landscape, holding a book. A play button icon is overlaid on the video thumbnail. To the right of the video is a "Countdown" clock with the text "00:00:00" below it. At the bottom of the page, there is a synopsis: "LIFE is a dark comedy about a Man. As the Man discovers his environment, he slowly begins to piece together details of his basic existence. Suddenly he finds himself going through motions that ultimately propel him towards an odd encounter with an unknown Man. That encounter will alter the course of history. Ultimately, the Man is a visual metaphor for LIFE." At the very bottom, there is contact information: "Directed & Written by Rob Blackhurst", "Starring Kevin Heffernan", and an email address "Email: rob.blackhurst@email.com".

This is the home page of the site.

The header contains the title, navigation links and a countdown clock.

The navigation links are to the right of the title.

When a user moves the mouse over the links they become underlined. This is shown for the Filmmaker link.

The page has a countdown clock that will count down to the release of the film.

The page has a large image for the trailer with the synopsis below this.

The footer contains more detailed but readily assessed information about the movie.

The footer has contact details for reviews or advertisers to be able to get more information about the move.

The Filmmakers

Cast

Kevin Heffernan
The Runner

This short film stars KEVIN HEFFERNAN and STEVE LEMME from Broken Lizard where we convinced to spend some quality time out in the desert with us (you probably know Kevin and Steven from SUPER TROOPERS and BEERFEST).

Steve Lemme
Unknown Man

On no way Knocked the blasted off, this kew as kee moana is as strik as a stoked bloke. Mean while, in South Pacific, Cartidge Bay and Mo Faani were up to no good with a bunch of same same but different keas. The gemo force of his munting was on par with James Cook's heape good cookie time.

Crew

Rod Blackhurst
Writer & Director

Rod is currently directing the feature length debut film *ALONE TIME* which he wrote with Matt James (LAWLESS, Sundance 2011) and David Blackhurst. Rod's last film was a feature film in 2010 San Francisco Film Society's X/FILM Filmmaking Grant. Rod co-directed the Funny or Die exclusive short films *YOUNG LOVE* and *PART DEUX* for the *LAUGH OUT LOUD* after show of *SNL*. He has directed the *SNL* sketch *WORLD'S END* and the *SNL* sketch *WORLD'S END*, premiering on *SNL*. His other work includes the Vimeo Staff Pick *EARLY INNINGS* (short doc about the smallest town in America with a minor league baseball team) and *ALONE TIME* (dramatic thriller short film).

Colton Davie
Cinematographer

Colton is best known for lensing the short film *JESUS FISH* which screened at just about every film festival in North American known to man. It's a beautiful film (yes, shot on film). He recently shot the feature film, *THE PAPER BOY* (starring Matt Damon and Jessica Chastain) which premiered at the Cannes International Film Festival. Colton's short film *PAS DE RESTES*, with Jonny Ray Gill (ECCENTRIC), is enjoying a successful festival run, including multiple "Best Of" awards.

Tyler Strickland
Composer

Tyler scored the 2013 Tribeca Film Festival documentary *THE GENIUS OF MARIAN*. He has scored commercials for HBO, YouTube, Google, and NatGeo. He lives in a space ship above Los Angeles and plays 53 instruments, many of which don't exist yet.

This page provides the method for potential viewers to be able to purchase tickets from the closest location possible.

Function

For the premier only one location result will be present. The search button will be disabled and greyed out until the full release. A message under the result will tell the user that full functionality will start when more cinemas have the movie.

It will display a list of theaters near by to their location.

A user will enter the location into the search bar and press enter.

Results will display the 10 closest theaters showing the film to them.

Each result will have the name of the theater and a link to go to purchase a ticket from the theater.

Additional functionality to be added later would include auto location search and ticket processing on the page.

Style

Header and footers will look the same as the Filmmakers page.

The main content style will be the same as the Filmmakers page.
